

**WORKSHOP PERMISSION RELEASE**

**contact: [yan.zheng@network.rca.ac.uk]**

---

**WORKSHOP ON SENTIMENTAL MACHINES DURING ICRA2021 CONFERENCE** (“The Workshop”) will be recording all the presentations at the workshop to be held on 4<sup>th</sup> June 2021 (GMT) (the “Event”).

This release (the “Release”) will serve as our agreement concerning your participation at the Event. You grant The Workshop organisers, and other entities — e.g., broadcasters — as The Workshop organisers may designate from time to time the right to record, stream, film and photograph your presentation at the Event (the “Presentation”) and to distribute, broadcast, edit, translate (as discussed below) or otherwise disseminate it, without any further approval from you, in whole or in part, throughout the world, in perpetuity, in any and all media now known or hereafter developed. This grant to the Workshop Organisers includes, but is not limited to, the right to use the Presentation either alone or together with supporting information, such as your name, voice, photograph, likeness and biographical data (collectively, “Supporting Information”).

Examples of permitted uses of the Presentation and Supporting Information include displaying the Presentation on the Robots and Art YouTube channel or on the Robots and Art website, [roboticart.org](http://roboticart.org); broadcasting the Presentation on television; and distributing the Presentation on DVDs, mobile phones, films, and other video distribution channels, such as iTunes.

Your Presentation may be distributed under a “Creative Commons” license, which allows each distributed presentation to be re-published in non-commercial, non-derivative works, as long as appropriate credit is given and the presentation is not edited or distorted. By signing this Release, you acknowledge and agree that you do not object to the distribution of the Presentation by the workshop Parties under a Creative Commons license.

In addition, you understand and agree that: (i) The Workshop organisers aren’t obligated to use the Presentation or Supporting Information in any way; (ii) you won’t receive any form of payment in connection with the use of the Presentation and/or Supporting Information; and (iii) you may not revoke the rights granted in this Release.

You affirm that: (i) you have the full power and authority to grant the rights and releases set forth in this Release; (ii) you are the sole author of the Presentation; (iii) you own all rights to the Presentation, including, but not limited to, all copyrights and trademark rights; (iv) you will advise The Workshop organisers in writing of all third-party material contained in the Presentation (to which you have not secured all necessary rights); and (v) use of the Presentation as permitted by this Release will not violate the rights of any third party.

IEEE International Conference on Robotics and Automation 2021 (ICRA2021)  
Workshop on Robots and Art - Misbehaving Machines

If any third-party claims that the use of the Presentation violates its rights, you agree to cooperate fully with The Workshop organisers to defend against or otherwise respond to such claim.

This Release contains the entire understanding between you and The Workshop organisers regarding the Presentation and/or Supporting Information and may not be modified except in a writing signed by both of us.
